Thinking about your New Year's Resolutions yet?

January 1st is almost upon us. Is there anything that needs to be changed in your habits and your daily activities? NOW is the opportune time to start something new. We suggest that you include bible reading into a daily habit. We have different types of reading plans that will take you through the bible. They are available on the back cabinet in front of the sound booth. It's time to take the dive and make the commitment before the New Year is here and gone. – Bob U.
